“ My 7 year old son needed a tooth pulled and this experience was beyond amazing for him! Dr G is EXCELLENT with children! We previously went to a pediatric dentist but recently switched to GDA and I'm sorry we waited so long! I highly recommend GDA and Dr G for kids dentistry!

“ First time visit for a X-ray and cleaning and it was a wonderful experience! Jaclyn the hygienist was awesome and super detailed and gentle. Dr. Mike was super personable and great. Not to mention Mack the therapy dog was great for a few pets. Let's not forget the front desk staff who was fabulous on the phone and very responsive to emails! Can't wait to come back and will tell all my friends!
